Soft Skills

Problem-solving, Teamwork, Communication, Adaptability, Time Management

Work Experience

Digital Egypt Pioneers Initiative (DEPI) – Front-End Development Trainee | Nov 2025 – Present

- Built 10+ responsive multi-page websites using HTML5, CSS3, Bootstrap, and React.
- Implemented 15+ interactive UI features using JavaScript (DOM manipulation, modals, sliders).
- Applied mobile-first design and ensured cross-browser compatibility.
- Improved code reusability, reducing design repetition by 40%.

Projects

Personal Portfolio Website

- Developed a responsive personal portfolio using HTML, CSS, and JavaScript.
- Applied mobile-first design with smooth animations and interactions.
- Improved accessibility and SEO using semantic HTML.

Multi-Page Business Website

- Built a 5+ page business website using reusable UI components.
- Ensured consistent layouts using Bootstrap grid system.
- Implemented form validation and cross-browser compatibility.

Deskora – Minimal Desk Accessories Website

- Designed a modern dark-themed UI focusing on minimal desk accessories.
- Structured semantic HTML to enhance accessibility and SEO.

Dashboard – Admin Panel UI

- Built a responsive admin dashboard with structured layouts.
- Implemented interactive elements to simulate real dashboard behavior.

Willow & Hide – E-Commerce Landing Page

- Created a visually appealing landing page for an e-commerce brand.
- Ensured full responsiveness across all screen sizes.

Coders Compass – Educational Website

- Developed an educational multi-section website for programming learners.
- Improved user experience using interactive UI elements.

Wanderspare – Travel Landing Page

- Designed a modern travel landing page with engaging visuals.
- Enhanced user engagement using animations and hover effects.
